OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 22nd September 1952.

N. MADHAVA RAO,
Revenue Commissioner.

MANDYA.

8. Well supplied.

9. Transplantation of paddy is going on in Maddur Taluk and sugarcane is being harvested in Maddur Taluk. The standing crops of sugarcane in Visvesvaraya Canal Area and paddy both under nala and certain tank atchkats of the district are reported to be in fair condition. The crops of paddy, ragi and sugarcane are reported to be withering for want of rains in Krishnarajapet, Pandavapura, Nagamangala and Malavalli Taluks.

10. The prospects of the season are reported to be not satisfactory. Rains are urgently needed, as the standing crops are withering for want of rains. The Krishnarajasagar water level has not come up to expected level, this has been causing grave anxiety in the minds of the paddy and cane-growers at the tail end of the nala atchkat.

11. Cattle are reported to be generally healthy. Fodder and water are available except in the dry areas of Krishnarajpet and in some parts of Nagamangala Taluk.

SHIMOGA.

9. Market supplied adequately except ragi and jola in Sorab and Shikaripur Taluks.

9. There was no rainfall during the week and paddy crop is being dried up in parts of Shimoga, Bhadravati, Shikaripur and Honnali borders of Sorab, Chennagiri and Nagar Taluks. Prospects of the season continue to be gloomy and pests in parts of Nagar and affected the paddy crop. The concerne addressed to take preventive measur being harvested in Honnali Taluk.

10. The rainfall during this week h the ryots has been increased and it than 6,000 acres of land with paddy in of Shikaripur Taluk has been affected view of the failure of rains. Relie progress in Bhadravati, Honnali and Rations are adequately supplied.

11. Cattle are generally reported prevalence of small-pox and rat-fall in Taluk last week is reported to be subsi cattle from Chennagiri and Honnali Ta sent to State Forests. Supply of hay made adequately. Temporary wells we of Chennagiri Taluk where difficul expressed.
